

# Maximum Width Limits for Profiles & Group Pages

(Created by "Daydreamin" 08/06/07)

## **PROFILE Page:**

- **Banner** - **940** wide X **100** high
- **Left Column ("History")** - **200** wide
- **Right Column ("Widgets")** - **300** wide
- **Center Column ("About Me")** - **NO "Embed" or "Object" TAGS ACCEPTED!** It is NOT like the MySpace "about me" box!!!
- **Center Column ("Interests & Activities", "Questions of the Day")** - **360** wide (I have done 375 wide, but vertical alignment to other middle sections is slightly off)
- **Center Column ("Comments")** - **290** wide
- **YouTube Videos** - **275** wide X **200** high

## **GROUP Page:**

### **Center Column –**

- **370** wide "embeds" for Announcements and Messages
- YouTube Videos - **325** wide X **250** high (sharpens video clarity and avoids overlap issues)
